Congratulations on your upcoming marriage! Thank you for your interest in using me as your wedding photographer. I hope that after reviewing this price list, you will give me the opportunity to meet with you and show you my work. It is also very important for you to get to know me and find out what kind of a person I am so that we can have fun on your wedding day. Not only should your wedding photographer be talented in the art of taking photographs, but your photographer should also be polite, fun, and just plain nice. I am that person. I firmly believe that your wedding day should be the most important day of your life and I would be honored to be allowed to photograph you and preserve those lasting memories. I am a very organized and dedicated photographer who also happens to be a lot of fun to be around. I hope that you will give me that opportunity.
